# GEMARTS

Make Your Own Paper Folded Popper!
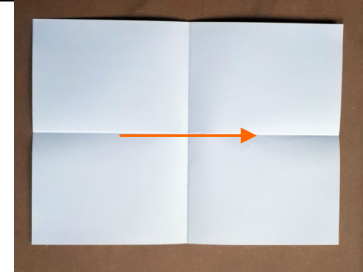

*Materials Required:* 1 x A4 paper, colouring pens/pencils
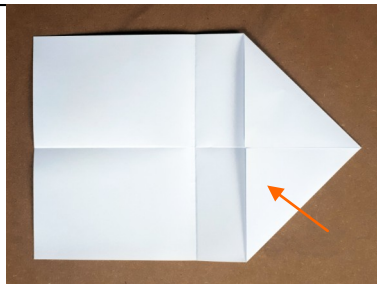

1. Begin with an A4 piece of paper.

2. Fold in half by bringing the long edge to the opposite long edge. Then unfold.

3. Fold in half again but this time, by bringing the short edges together.
Then unfold.

4. Fold top right corner to the horizontal centre line as shown.

5. Fold the bottom right corner to the horizontal centre line as shown.
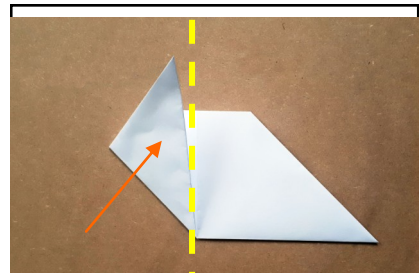

6. Fold the bottom left corner to the horizontal centre line as shown.

7. Fold the top left corner to the horizontal centre line as shown.

8. Fold in half lengthways along the horizontal centre line.
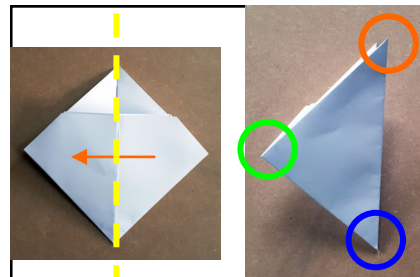

9. Fold the bottom left hand side to meet the centre line as shown.
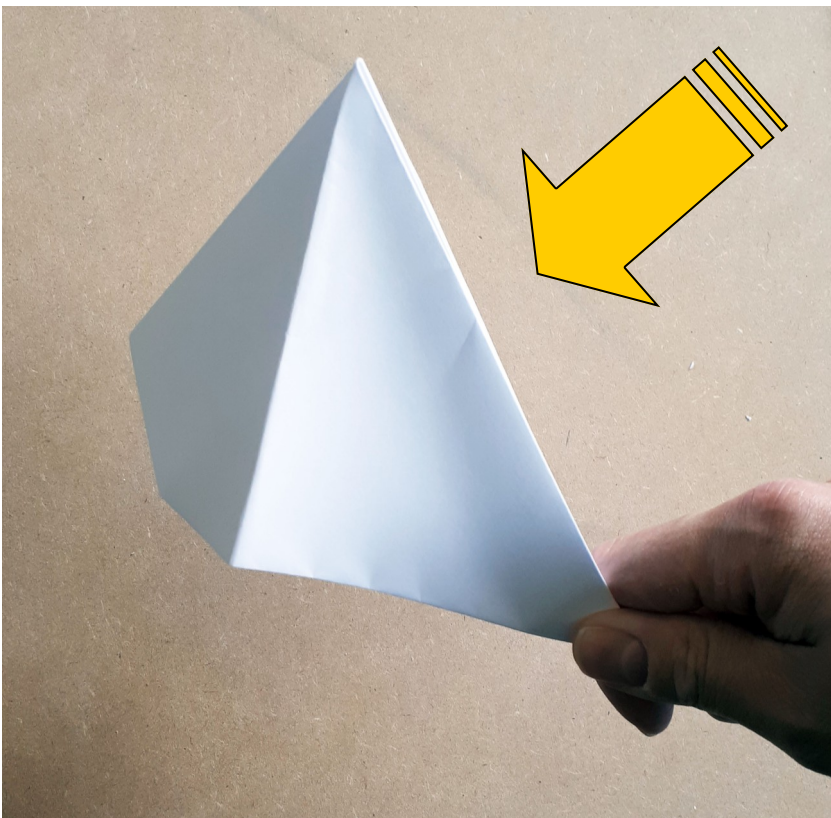

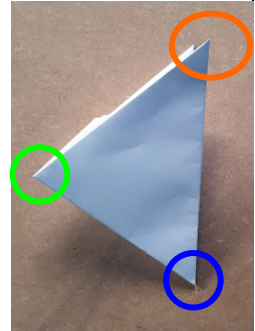

10. Do the same with the bottom right hand side.

11. Turn the whole thing over and it looks like this.

12. Fold in half along the centre line as shown.

13. To make it POP, hold it as shown. Raise it over your head and swing down suddenly!

14. A flap will pop out and make the sound! :-O

15. The best thing is that you can tuck back in and repeat!

16. You can also decorate this with colouring pens and pencils if you wish!

...Have fun! :-)
